COMMENTS:

I agree that in completing this form, we have used the Maddie's Fund definitions of "Healthy," "Treatable - Manageable," "Treatable - Rehabilitatable," and "Unhealthy & Untreatable" as set forth in the attached document titled, "Maddie's Fund® Categorizations/Definitions of Shelter Animals."

The differences were all in the Monroe County Animal Shelter statistics. Our explanation for the Monroe County Shelter statistics follows:

(1) Category **C** - Incoming Transfers from Orgs within Community/Coalition includes transfers from Madisonville Animal Control. Some of these animals are euthanized & some are adopted.

(2) Category **J** - Outgoing Transfers within Community/Coalition includes animals transferred to a number of local animal rescue groups for adoption (ie., Small Animals, Pet Match, Greyhound, St Bernard and many different Breed rescue groups.)

In our experience, **C & J** statistics are not likely to be the same for the Monroe County Animal Shelter. Please let us know if we should be doing something differently.
